Aston

The Aston's low profile with super deep seat depth and extra thick seat cushions create the ultimate lounging environment. The wide arms are also perfect for a perching if you don't want to succumb to the comfort of the cushions. Keep in mind that the low seat height can be modified to a higher dimension.

96" length | 42" depth

16" seat height | 28" seat depth

23" arm height | 9" arm width

33" back height | 2" leg
