Buckingham

The Buckingham Sofa showcases the English roll arm design and is a class act through and through. Customizable as a loose back for comfort or tight back for undisputed elegance. To stay in the classical vein, use hand turned legs with antique brass casters or a high skirt with welting. Modernize this timeless design without welting and swap the turned legs for tapered legs.

84" length | 38" depth

19" seat height | 23" seat depth

25" arm height | 6" arm width

33" Back height | 6" leg

Fabric Notes

Upholstered in a soft weave with excellent depth of color from the German fabric house of Zimmer Rohde.
