Esme

Sophisticated minimalism that doesn't sacrifice comfort. The tight seat and back yield a clean and crisp design, with an incredibly supportive and comfortable feel. Featured here with six-inch arms and recommended to sit on six-inch dark mahogany tapered legs or further modernize with brushed metal legs. Also, we recommend to thin or thicken the arm proportionally as the length of the piece changes.

96" length | 36" depth

17" seat height | 25" seat depth

26" arm height | 6" arm width

32" back height | 6" leg

Fabric Notes

Shown in a white Romo Linara cotton/linen blend that is offered in over 300 color ways!
