Laken

The Laken's ergonomic design of sloped arms and a perfectly pitched back provides an exceptional level of comfort from a tight seat and back design. The streamlined style exhibits a minimal footprint in your space, yet feels grand when you're sitting. This customizable and polished design can stand up to any discerning eye.

84" length | 34" depth

17" seat height | 24" seat depth

24" arm height | 5.5" arm width

32" back height | 6" leg

Fabric Notes

Photographed in a toffee colored semi-aniline leather that has a soft hand and is tough enough to stand the test of time. Our wide spectrum of leathers available in our library will open the door to endless options at a variety of budget parameters.
