

Wythe

The Wythe Sofa has taken the classical roll arm to a whole new level. Our design team proportionally widens or narrows the arm width dependent on the overall length of the sofa. Shown here in a dressmaker skirt with welting but the piece can be modernized without welt and tapered walnut legs in lieu of the skirt.

84" length | 38" depth

19" seat height | 23" seat depth

25" arm height | 7" arm width

34" back height | 3" leg

Fabric Notes

Featured in a Brunschwig & Fils neutral tonal damask for timeless elegance.
