## Reese

The Reese showcases modern shallow tufts with top stitching that connects the tuft buttons on the exterior of the piece. The interior has simple tufts with no top stitching. Lumbar pillows are also included to add a fashionable touch. This style can be designed with a shallow depth, so despite a small footprint, it makes a bold statement. Tight seat and tight back allows this design to always look stunning.

76" length | 32" depth

18" seat height | 24" seat depth

32" arm height | 3" arm width

32" back height | 6" leg

### Fabric Notes

*Upholstered in a show stopping red silk mohair velvet from the Coraggio fabric collection.*
