## Camden

The Camden Sofa boasts refined elegance. The shelter design with slender arms and back create a light yet powerful statement in any room. Shown here in a dressmaker skirt with chrome nailheads but for a more subdued look, try welting in lieu of nailheads with a high skirt.

84" length | 38" depth

19" seat height | 25" seat depth

34" arm height | 2" arm width

34" Back height | 2" leg

### Fabric Notes

*Shown in a Romo tight repeat textured weave that presents the illusion of a solid grey at a distance, yet closer you see the intricate beauty of the weave.*
