Newby Sectional

Based off the timeless design by Jean-Michel Frank, the Newby sectional is the definition of relaxed modernism. Featured here with a tight back and loose sumptuous seat cushions that are perfect for laid back lounging to offer a comfortable solution while never looking sloppy. Our design professionals offer complimentary in-home consults to ensure the perfect size for the space available.

Fabric Notes

Upholstered in a rich charcoal performance velvet from the Kravet Smart fabric line for a luxurious yet durable solution in high traffic areas.
