Piccadilly

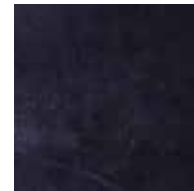

Our Piccadilly Sofa marries mid-century and modern aesthetics. Artfully executed with an architectural attitude. Four hand-tufted buttons on the back cushions gives a nod to mid-century design, while the sleek bench seat cushion takes a step towards modernity. Supported by stainless steel legs that can be powder coated in penny dust or any color for a more modern appeal or soften the design with tapered walnut legs.

96" length | 38" depth

18" seat height | 25" seat depth

25" arm height | 6" arm width

34" back height | 6" leg

Fabric Notes

Detailed in Lee Jofa rich heritage purple velvet.
