Shoreditch

The Shoreditch Sofa has a gentle curvature up from the half moon arms that transition into a slightly rounded back. It's tailored tight back creates an elegant statement in a formal setting.

72" length | 38" depth

19" seat height | 23" seat depth

26" arm height | 4.5" arm width

36" back height | 2" leg

Fabric Notes

Photographed here as an example of how we can use contrasting materials to bring a room of color together. The oyster shell semi-aniline leather with contrasting navy cotton velvet with a touch of sheen creates a bold statement piece.
