## Brighton

Dramatic wide-flair arms reminiscent of waves rolling on the beaches of Brighton. A homage to the traditional tufted Chesterfields with a tightly upholstered seat that adds a touch of delicacy. Hand-turned legs with antique brass casters are shown, but tapered legs with chrome nail heads can also be used.

94" length | 40" depth

18" seat height | 24" seat depth

30" arm height | 14" arm width

30" back height | 6" leg

### Fabric Notes

*Upholstered in a thick cotton weave by Coraggio. On lighter shades, the Nanotex or FiberSeal process is highly recommended.*
